

Another Great Achievement of ISM

The 2018 Cambridge International A-LEVEL exam results have been released, and the Institute of Science and Management has achieved yet another success.

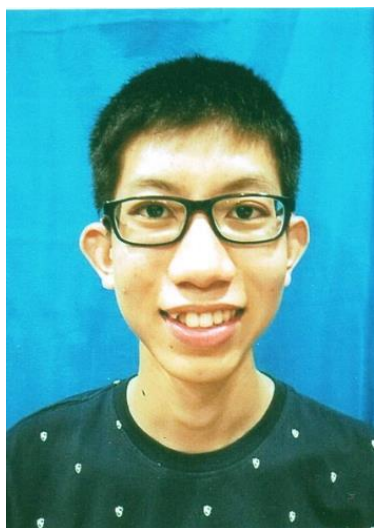

According to Mr. Kow, the Principal of ISM, 37 students were candidates in the CIE A-LEVEL exam this year. Not only did 30% of the students obtain excellent results in 2 or more subjects, but the overall passing rate for the class of 2017/2018 is 100%! He praised the students for their accomplishment and thanked all the lecturers for their hard work. In addition, he also wished the students even greater achievements in their future.
