

### **Congratulations to our Top Achievers in Cambridge A-Level June 2020 Examination**

The 2020 Cambridge International A-LEVEL exam results have been released, and the Institute of Science and Management, Tawau, has achieved yet another success.

According to Mr. Kow, the CEO of ISM, 30 students registered in the CAIE A-LEVEL exam this year. Not only did 33% of the students obtain Grade A in 2 or more subjects, but the overall passing rate for the class of 2019/2020 is 100%! He praised the students for their accomplishment and thanked all the lecturers for their hard work. In addition, he also wished the students even greater achievements in their future.

This year, the academic results of ISM (namely: Accounting, Business, Economics, Biology, Chemistry, Physics, Mathematics and Further Mathematics) all reached 100% passing rate. Among them, 44% of the candidates in Physics achieved Grade A; as for Biology, 50% of the students obtained A's.

Following is the list of students with outstanding results in 2020:
